D. General Provisions Regarding Payments.

(i) Manner and Time of Payment. All payments by the Borrowers of principal, interest, fees and other Obligations hereunder and under the Notes shall be made in same day funds and without defense, setoff or counterclaim, free of any restriction or condition, and delivered to the Administrative Agent not later than 12:00 Noon (New York time) on the date due at the Funding and Payment Office for the account of the Lenders; funds received by the Administrative Agent after that time on such due date shall, at the Administrative Agent's sole discretion, be deemed to have been paid by the Borrowers on the next succeeding Business Day.

(iii) Apportionment of Payments. E. Application of Proceeds of Collateral.

Except as provided in subsection 2.4B(ii) with respect to prepayments, all proceeds received by the Collateral Agent after an Event of Default or as a result of exercising remedies under the Loan Documents, in respect of any sale of, collection from, or other realization upon all or any part of the Collateral under any Collateral Document shall, in the discretion of the Collateral Agent, be held by the Collateral Agent as Collateral for, and/or (then or at any time thereafter) applied in full or in part by the Administrative Agent against, the applicable Obligations in the following order of priority:

2.5 [Intentionally Omitted.]

2.6 Special Provisions Governing LIBOR Loans.

Notwithstanding any other provision of this Agreement to the contrary, the following provisions shall govern with respect to LIBOR Loans as to the matters covered:

A. Determination of Applicable Interest Rate. As soon as practicable after 11:00 a.m. (New York time) on each Interest Rate Determination Date, the Administrative Agent shall determine (which determination shall, absent manifest error, be final, conclusive and binding upon all parties) the interest rate that shall apply to the LIBOR Loans for which an interest rate is then being determined for the applicable Interest Period and shall promptly give notice thereof (in writing or by telephone confirmed in writing) to the Borrowers and each Lender.

B. Inability to Determine Applicable Interest Rate. In the event that the Administrative Agent shall have reasonably determined (which determination shall be final and conclusive and binding upon all parties hereto), on any Interest Rate Determination Date with respect to any LIBOR Loans, that by reason of circumstances arising after the date of this Agreement affecting the London interbank market, adequate and fair means do not exist for ascertaining the interest rate applicable to such Loans on the basis provided for in the definition of LIBOR Rate the Administrative Agent shall on such date give notice (by telecopy or by telephone confirmed in writing) to the Borrowers and each Lender of such determination, whereupon no Loans may be continued as LIBOR Loans (including, without limitation, pursuant to subsection 2.2D hereof), until such time as the Administrative Agent notifies the Borrowers and the Lenders that the circumstances giving rise to such notice no longer exist (such notification not to be unreasonably withheld or delayed).

C. Illegality or Impracticability of LIBOR Loans. In the event that on any date any Lender (in the case of clause (i)) and the Required Lenders (in the case of clause (ii)) shall have reasonably determined (which determination shall be final and conclusive and binding upon all parties hereto but shall be made only after consultation with the Borrowers and the Administrative Agent) that the making, maintaining or continuation of its LIBOR Loans (i) has become unlawful as a result of compliance by such Lender in good faith with any law, treaty, governmental rule, regulation, guideline or order (or would conflict with any such treaty, governmental rule, regulation, guideline or order not having the force of law even though the failure to comply therewith would not be unlawful) or (ii) has become impracticable, or would cause such Lender material hardship, as a result of contingencies occurring after the date of this Agreement which materially and adversely affect the London interbank market, then, and in any such event, such Lender shall be an "Affected Lender" and it shall on that day give notice (by telecopy or by telephone confirmed in writing) to the Borrowers and the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each other Lender). Thereafter (a) the obligation of the Affected Lender to make Loans as LIBOR Loans shall be suspended until such notice shall be withdrawn by the Affected Lender, and (b) the Affected Lender's obligation to maintain its outstanding LIBOR Loans, as the case may be (the "Affected Loans"), shall be terminated at the earlier to occur of the expiration of the Interest Period then in effect with respect to the Affected Loans or when required by law. Nothing in this subsection 2.6C shall affect the obligation of any Lender other than an Affected Lender to make or maintain Loans as LIBOR Loans in accordance with the terms of this Agreement.

D. Compensation For Breakage or Non-Commencement of Interest Periods. The Borrowers shall compensate each Lender, upon written request by such Lender (which request shall set forth in reasonable detail the basis for requesting such amounts), for all reasonable losses, expenses and liabilities (including, without limitation, any interest paid by such Lender to the lenders of funds borrowed by it to make or carry its LIBOR Loans and any actual loss, expense or liability sustained by such Lender in connection with the liquidation or re-employment of such funds) which such Lender may sustain: (i) if any prepayment (including any prepayment pursuant to subsection 2.4B or assignment pursuant to subsection 2.8) of any of its LIBOR Loans occurs on a date that is not the last day of an Interest Period applicable to that

Loan, (ii) if any prepayment of any of its LIBOR Loans is not made on any date specified in a notice of prepayment given by the Borrowers or (iii) as a consequence of any other default by the Borrowers in the repayment of its LIBOR Loans when required by the terms of this Agreement.

E. Booking of LIBOR Loans. Any Lender may make, carry or transfer LIBOR Loans at, to, or for the account of any of its branch offices or the office of an Affiliate of that Lender.

F. Assumptions Concerning Funding of LIBOR Loans. Calculation of all amounts payable to a Lender under this subsection 2.6 and under subsection 2.7A shall be made as though that Lender had actually funded each of its relevant LIBOR Loans through the purchase of a eurodollar deposit bearing interest at the rate obtained pursuant to the definition of LIBOR Rate in an amount equal to the amount of such LIBOR Loan and having a maturity comparable to the relevant Interest Period and, through the transfer of such eurodollar deposit from an offshore office of that Lender to a domestic office of that Lender in the United States of America; provided, however, that each Lender may fund each of its LIBOR Loans in any manner it sees fit and the foregoing assumptions shall be utilized only for the purposes of calculating amounts payable under this subsection 2.6 and under subsection 2.7A.

G. LIBOR Loans After Default. After the occurrence of and during the continuation of a Default or Event of Default, no Loan may be continued as a LIBOR Loan and the Borrowers may no longer maintain any Loan as a LIBOR Loan after the expiration of any Interest Period then in effect for that Loan.

2.7 Increased Costs; Taxes.

A. Increased Costs Generally. If any Change in Law shall: (i) impose, Modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any reserve requirement reflected in the LIBOR Rate); or (ii) impose on any Lender or the London interbank market any other condition, cost or expense affecting this Agreement or LIBOR Loans hereunder made by such Lender; and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any LIBOR Loan (or of maintaining its obligations to make any such Loan) or to increase the cost to such Lender, or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or any other amount), then upon request of such Lender, the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender on an after-tax basis for such additional costs incurred or reduction suffered.

B. Capital Requirements. If any Lender determines that any Change in Law affecting such Lender or the applicable Lender Office of such Lender or such Lender's holding company, if any, regarding capital requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by such Lender, to a level below that which such Lender or such Lender's holding company could have

achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company on an after-tax basis for any such reduction suffered.

C. Certificates for Reimbursement. A certificate of a Lender setting forth in reasonable detail the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in subsection 2.7A or 2.7B and delivered to the Borrowers shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

D. Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to this subsection 2.7 shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Borrowers shall not be required to compensate a Lender pursuant to this subsection 2.7 for any increased costs incurred or reductions suffered more than nine months prior to the date that such Lender notifies the Borrowers of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

E. Taxes.

(i) Payments Free of Taxes. Subject to subsection 2.7E(v) below, any and all payments by or on account of any obligation of the Borrowers hereunder or any other Loan Document shall be made free and clear of and without reduction or withholding for any Indemnified Taxes or Other Taxes, provided that if the Borrowers shall be required by applicable law to deduct any Indemnified Taxes or Other Taxes from such payments, then (i) the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this subsection) the Agent or Lender receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Borrowers shall make such deductions and (iii) the Borrowers shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

(ii) Payment of Other Taxes by the Borrowers. Without limiting the provisions of paragraph (i) above, the Borrowers shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(iii) Indemnification by the Borrowers. The Borrowers shall indemnify the Agents and each Lender within twenty (20) days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this subsection 2.7E) paid by such Agent or such Lender and any penalties, interest and

reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate stating the amount of such payment or liability and setting forth in reasonable detail the calculation thereof delivered to the Borrowers by an Agent or a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender shall be conclusive absent manifest error.

(iv) Evidence of Payments. As soon as practicable after any payment of Indemnified Taxes or Other Taxes by the Borrowers to a Governmental Authority, the Borrowers shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(v) Status of Lenders. Any Lender, if requested by the Borrowers or the Administrative Agent, shall deliver documentation prescribed by applicable law or reasonably requested by the Borrowers or the Administrative Agent as will enable the Borrowers or the Administrative Agent to determine whether or not such Lender is subject to withholding, backup withholding or information reporting requirements. Without limiting the generality of the foregoing, in the event that any of the Borrowers is a resident for tax purposes in the United States of America, each Foreign Lender shall deliver to the Borrowers and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the request of the Borrowers or the Administrative Agent), whichever of the following is applicable: (i) duly completed copies of Internal Revenue Service Form W-8BEN, claiming eligibility for benefits of an income tax treaty to which the United States of America is a party; (ii) duly completed copies of Internal Revenue Service Form W-8ECI; (iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under section 881(c) of the Internal Revenue Code, (x) a certificate to the effect that such Foreign Lender is not (A) a "bank" within the meaning of section 881(c)(3)(A) of the Internal Revenue Code, (B) a "10 percent shareholder" of the Borrowers within the meaning of section 881(c)(3)(B) of the Internal Revenue Code or (C) a "controlled foreign corporation" described in section 881(c)(3)(C) of the Internal Revenue Code and (y) duly completed copies of Internal Revenue Service Form W-8BEN; or (iv) any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in United States Federal withholding tax and reasonably requested by the Borrowers or the Administrative Agent duly completed together with such supplementary documentation as may be prescribed by applicable law and reasonably requested by the Borrowers or the Administrative Agent to permit the Borrowers to determine the withholding or deduction required to be made. A Foreign Lender shall not be required to deliver any form or statement pursuant to this subsection 2.7E(v) that such Foreign Lender is not legally able to deliver.

(vi) Treatment of Certain Refunds. If the Administrative Agent or a Lender determines, in its reasonable discretion, that it has received a refund of any Taxes or Other Taxes as to which it has been indemnified by the Borrowers or with respect to which the Borrowers have paid additional amounts pursuant to subsection 2.7E, it shall pay to the Borrowers an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrowers under subsection 2.7E with respect to the Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Agent or such Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that the Borrowers, upon the request of such Agent or such Lender, agrees to repay the amount paid over to the Borrowers (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to such Agent or such Lender in the event such Agent or such Lender is required to repay such refund to such Governmental Authority. This paragraph shall not be construed to require any Agent or any Lender to make available its tax returns (or any other information relating to its taxes which it deems confidential) to the Borrowers or any other Person.

2.8 Mitigation Obligations; Replacement of Lenders.

A. Designation of a Different Lender Office. If any Lender requests compensation under subsection 2.7A or 2.7B, or requires the Borrowers to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to subsection 2.7E, then such Lender shall use reasonable efforts to designate a different Lender Office for making, issuing, funding or maintaining its Commitments or Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to subsection 2.7 in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be materially disadvantageous to such Lender. The Borrowers hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

B. Replacement of Lenders. If any Lender requests compensation under subsection 2.7A or 2.7B, or if the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to subsection 2.7E, or if any Lender defaults in its obligation to fund Loans hereunder, or if any Lender has determined that it is unable to make, maintain or continue its LIBOR Loans in accordance with subsection 2.6.C hereof, then the Borrowers may, at their sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, subsection 9.1), all of its interests, rights and obligations under this Agreement and the related Loan Documents to an Eligible Assignee that shall assume such obligations (which Eligible Assignee may be another Lender, if a Lender accepts such assignment), provided that (i) in the case of assignments not made using an electronic settlement system (e.g., ClearPar), the Borrowers shall have paid to the Administrative Agent the assignment fee specified in subsection 9.1B(i)(c), (ii)

such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under subsection 2.6D) from such Eligible Assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts), (iii) such Eligible Assignee is able to make, maintain or continue, as applicable, LIBOR Loans, (iv) in the case of any such assignment resulting from a claim for compensation under subsection 2.7A or 2.7B or payments required to be made pursuant to subsection 2.7E, such assignment will result in a reduction in such compensation or payments thereafter and (v) such assignment does not conflict with applicable law. A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrowers to require such assignment and delegation cease to apply.

2.9 Releases; Subordinations.

A. **Release Upon Qualified Sale or Required Dedication.** In connection with any Permitted Collateral Asset Sale, Major Collateral Asset Sale or Required Dedication, the Collateral Agent or its duly authorized attorney-in-fact shall release the applicable portion of the Real Property Collateral from the Lien of the Mortgages (such portion of the Real Property Collateral, a "Released Parcel"); provided that all of the applicable conditions set forth in subsection 6.9 have been satisfied and the applicable Borrowers shall have submitted to the Collateral Agent not less than ten (10) days (or such shorter period as is acceptable to the Collateral Agent) prior to the date of such proposed release (which must be on a Business Day), a reconveyance or release of Liens (and related Loan Documents) for each Released Parcel (for execution by the Collateral Agent) (or its agent) in a form appropriate for recordation in the applicable jurisdiction and otherwise satisfactory to the Collateral Agent (or its agent) in its good faith discretion and all other documentation as the Collateral Agent reasonably requires to be delivered by the Borrowers in connection with such release (collectively, the "Release Instruments") for each Released Parcel (for execution by Collateral Agent) together with an Officer's Certificate certifying that (i) the Release Instruments are in compliance with all Applicable Laws and Governmental Authorizations, (ii) the release to be effected will not violate the terms of this Agreement and (iii) the release to be effected will not impair or otherwise adversely affect the Liens and other rights of the Collateral Agent under the Loan Documents not being released. The Collateral Agent is authorized by the Lenders to enter into release and/or escrow arrangements with the Title Company or any other third-party designated by the Collateral Agent for purposes of delivery of Release Instruments.

B. **Subordinations in connection with Specified Encumbrances.** If required by the applicable Permitted Special Improvement District, upon ten (10) Business Days prior written notice from the Borrowers, the Collateral Agent shall subordinate the First Priority Lien of the applicable Mortgage to any Liens granted by the Borrowers or their Subsidiaries in favor of such Permitted Special Improvement District securing Special Improvement Bonds issued by such Permitted Special Improvement District after the Effective Date ("Specified Encumbrances") that, in each case, as certified by a Responsible Officer, are necessary or desirable in connection

The Borrowers shall pay all costs and expenses of the Collateral Agent and the Title Company in connection with any such subordination.

2.10 Subordinations in connection with Map Approvals.

Upon not less than ten (10) Business Days' prior written notice from the Borrowers, the Collateral Agent shall subordinate the First Priority Lien of the applicable Mortgage to any proposed "subdivision," "parcel," "tract" or other maps approved by the applicable Governmental Authority and contemplated to be recorded in connection with the development of a Project (collectively, the "Maps"), and, to the extent required by Applicable Law or the applicable Governmental Authority, the Collateral Agent agrees to sign and acknowledge any such Map; provided, in each such case, that (i) the Collateral Agent's signature is expressly made with no implied duty or obligation on the part of the Collateral Agent to review such Maps and is only made for the purpose of subordinating the Lien of the applicable Mortgage to such Map, (ii) no Default or Event of Default has occurred and is continuing, (iii) the Borrowers have provided evidence to the Collateral Agent that such subordination and/or execution is required for the subdivision approval of the appropriate Governmental Authority or otherwise reasonably necessary or desirable in connection with the development of a Project, (iv) the Collateral Agent shall, as a condition to such subordination and/or execution, be satisfied in its reasonable discretion that such subordination and/or execution could not reasonably be expected to have a Material Adverse Effect or impair Collateral Agent's Lien on the remaining Real Property Collateral or materially impair the value of the Real Property Collateral, (v) the Collateral Agent shall have received evidence reasonably satisfactory to the Collateral Agent that the priority of the Liens evidenced by the Mortgages so subordinated with respect to the remaining Real Property Collateral subject to such Mortgages after giving effect to any such subordination shall be maintained following such subordination and (vi) the documentation evidencing such subordination shall be reasonably satisfactory to the Collateral Agent. The Borrowers shall pay all costs and expenses of the Collateral Agent and the Title Company in connection with any such subordination.

2.11 Subordinations in connection with Qualified Sales Agreements.

Upon not less than ten (10) Business Days' prior written notice from the Borrowers and provided no Event of Default has occurred and is continuing, the Collateral Agent shall enter into a subordination and non-disturbance agreement, in form and substance reasonably satisfactory to the Collateral Agent, with a homebuilder or other commercial developer who is party to a Qualified Sales Agreement and the Borrower pursuant to which such homebuilder or other commercial developer confirms, among other things, that its interest in the relevant Real Property Collateral and the applicable Qualified Sales Agreement are subordinate to the First Priority Lien of the Collateral Agent and the Collateral Agent agrees, subject to certain conditions, to recognize the validity of the Qualified Sales Agreement in the event of a realization upon such First Priority Lien, provided that the Collateral Agent shall not be required to enter into any such subordination and non-disturbance agreement unless the Collateral Agent is reasonably satisfied that the sales contemplated by such Qualified Sales Agreement are, and will be, permitted under Section 6.9.

**SECTION 3.
CONDITIONS TO EFFECTIVENESS**

3.1 Conditions to Effectiveness.

The effectiveness of this Agreement, and the obligation of each Lender to make the extension of credit requested to be made by it is subject to the satisfaction, prior to or concurrently with the making of such extension of credit on the Effective Date, of the following conditions precedent:

A. Borrowers' Documents. On or before the Effective Date, each Borrower shall deliver or cause to be delivered to the Administrative Agent the following, each, unless otherwise noted, dated the Effective Date:

(i) certified copies of its Organizational Certificate (in form and substance reasonably satisfactory to the Administrative Agent), together with a good standing certificate from the applicable Governmental Authority of its jurisdiction of incorporation, organization or formation, each state in which any of its Real Property Assets are located, and each other state in which it is qualified as a foreign corporation or other entity to do business, each dated a recent date prior to the Effective Date;
